Tiny Soviet gymnast Olga Korbut wept unashamedly at the Munich Olympics after she did poorly in one event. But her next night's performance restored her to grace and glory. PATTERNS

The sun, like a golden disk in
the open armed sky has no
heartbeat and can sing no songs;
it just sits, evoking the moods
of silence and the patterns of
time fast passing.

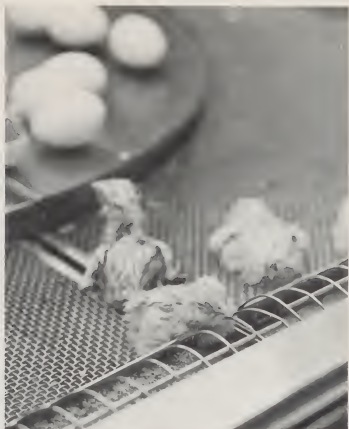

NO EVIDENCE

Silently without warning love
crept into my soul disguised in
a smile and stole it from me.
Though I know it is the thief I
cannot accuse it or find it guilty
Because who is to prove what is
missing?

This day was an extravaganza
of sunshine, of freshness,
and you.

An uncanny thing to happen
in the middle of winter.

WHERE DO THE CHILDREN PLAY?

Well I think it's fine building
Jumbo planes,
or taking a ride on a cosmic
train, switch on summer from
a slot machine,
Yes, get what you want to,
if you want, 'cause you can
get anything.

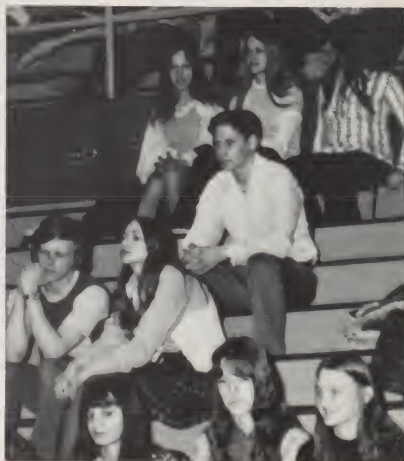

I know we've come a long way,
we're changing day to day,
But tell me, where do the
children play?

Well, you've cracked the sky,
scrapers fill the air,
but will you keep on
building higher till there's
no more room up there?

Will you make us laugh, will
you make us cry, will you
tell us when to live and
when to die?

I know we've come a long way,
we're changing day to day,
But tell me, where do the
children play?

FACADES

as i look at peoples' opaque facades,
i tremble, knowing i reveal a wad
of tangled, Sincere emotions.
i try to appear like others and hide
behind a shadow
of cliches, smiles, and polite "ha ha's"
but i yearn to grow
beyond the shallow depths of their "love"
i yearn, i wish, that i would see
someone who wants transparency
to show what he feels without wavering
but i fear it is almost too late for me,
because to be transparent is to give
to everyone you see,
to know the assets of "love"
and to be transparent is so very painful,
i'm afraid.

Rahs express emotion

Giving beyond necessity, your time, your vocal cords, your muscles, and caring about something until its part of you --that's being a rah-rah. Showtime beats classtime

Calumet students were afforded many opportunities during the year to take a break from their classes. A new program was initiated by Mr. Paul Borlick, which gave students a chance to view movies at Cinema 1 & 11. "The Candidate", "Cromwell", "A Separate Peace", "Scrooge", "Tora Tora Tora", and "THX 1138" were among the movies offered. Assemblies in the fieldhouse, such as those featuring the Roaring Twenties Dancers and hypnotist Jim Paterson, were also enjoyed by the student body.

Ed Muro leads cross-country team

The cross-country team had a good season this year.

They qualified for regionals for the tenth consecutive year and finished in twelfth place.

In conference runs the team took fifth place and in sectionals they clinched fourth place.

They beat such teams as Lew Wallace, Munster, Lake Central, Valpo, and many others.

But along with the wins the team was defeated by Highland, Andrean, Griffith, Crown Point, and a few others.

Ed Muro, who holds the record for the two mile run, came in second in sectionals and eighth in regionals.

Footballers open season on new field

Last summer sod was laid and grass seed planted. By the time football season folled around, there was actually green grass on the Calument gridiron. Homecoming brought the Warriors out of the locker room wearing new uniforms in the school colors-- red and white, inspiring a victorious game over Merrillville 29-21. Next years team will need more than inspiration because graduation will take eleven seniors. The team ended the season with a 5-5 overall record and a 4-3 conference record to tie for third place.

Grapplers hold their own in competition

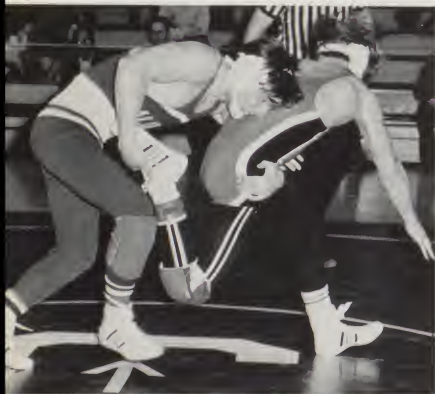

This year the wrestling team was in general, a team rebuilding. The team holds a 6-2 record.

According to Aaron Pippins, senior wrestler, this was one of the better teams in Calumet history.

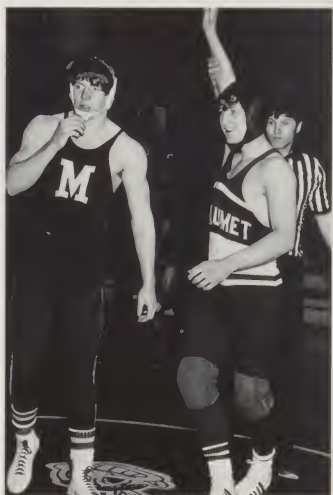

This year two junior wrestlers made it to the regionals.

Pat Hale lost in the first round which left him with a record of 21-5. Rick Kellemen came in second and ended the season with a 26-4 record.

Calumet has shortest team in the area

Our 1972-73 team was a high competitive team despite the fact that we were smaller in size than any team we faced during the year. The most outstanding facet of this year's team was our fairly strong defense. Our two most glaring weaknesses were poor ball-handling and good shooting. We shot 32 percent for the year, which in this day and age is far below average. The team ended the season 6-15, playing against what was probably the toughest schedule in Calumet history which was indeed a challenge to the Warriors. In summation, the 1972-73 Calumet Warriors played exciting basketball and most of all gave a competitive performance on most occasions.

Sectionals: A spirited day

Loyalty Day started off with Mr. Julius treating our basketball team to a good hearty breakfast at Fran's Restaurant in Griffith. An arousing pep session got the students in the spirit, anticipating the big game. At 7:00 that night the Warriors went out on the court against Hanover Central to defend their sectional title. But when the gun went off the Warriors found themselves defeated 67-58 by Hanover Central.

Davis and Muro make it to regionals

This year's track team was basically a young team consisting largely of sophomores and freshmen. Although the team didn't take many firsts they did secure quite a few fourths and fifths. With a little effort on the boys' part some of these should turn into firsts next year. Ed Muro, a senior, set two new school records in the 1-mile and 2-mile runs with times of 4:20.2 and 9:45 respectively. The team finished in the top half in sectionals. Two qualifying for State; Frank Davis in the long jump and Ed Muro in the 1-mile.

Calumet golfers swing into action

This year's golf team was nothing special to speak of but the boys did gain experience which should prove important next year. In sectional play the team did finish in the top half of competition.

Junior, Doug Apostol was named to the all-conference team and will be joined next year with returning lettermen Pete Chiaramonte and Mike Coates. Coach Alvarez hopes to have next years team up to "par".

Warriors finish with .559 win-loss record

Coach Trecka said this year's baseball team was the most enjoyable he has ever coached. The boys were just great and played their best. They ended the season with a 19-15 record. Doug Splitgerber was named most valuable player. The highest batting average was held by Rick Triana with a .330

average. John Bargfeldt held the lowest earned run average of 1.17 and also was credited with a no-hitter against Munster. Next year there will be seven returning lettermen with another strong pitching staff. So if the boys start hitting a little more there will be a bright future for baseball.

Juniors win through determination

This year was a very hard and challenging year for both the class officers and students. I experienced and accepted the good with the bad. Life teaches, and we learn.

Rene Castaneda, president

I've learned during my term of office many things. It takes leadership ability and the desire to get things done in order to have a successful year.

Bob Penick, vice president

The junior class has had many new ideas and points of view on various things. I am glad that I, was able to help them come up with a few new ideas and share in their points of view.

Robin King, secretary

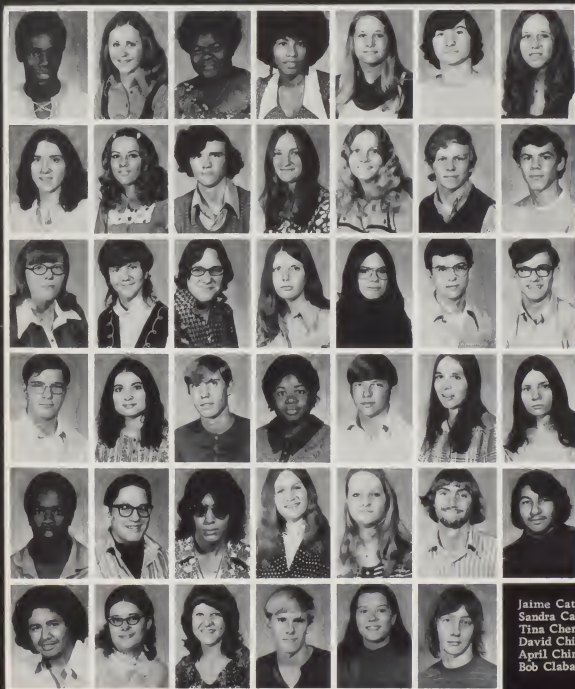

I feel it was my privilege to represent the Juniors during the year. I hope I, have done the job you hoped I would but I will always think of the things in which I may have helped our class more.

We have too many good things to offer you to make any up (They're so good you may think we are making them up.) Read on.

We won't guarantee you anything we can't pay off (If we guarantee you Hawaii, start waxing your surfboard. You'll need it.)

Everything we guarantee will be put down in writing. In a legal document that you get a copy of (If you agree to sign for computer training and the Delayed Entry Option, it will all be spelled out in language you can understand.)

We want you to know without a shred of doubt that you'll get everything you signed for. So we'll give you this card. On the front is what you signed for. And on the back is an address to write to in the Pentagon, just in case you didn't get what's on the front.

We think today's Army has a lot to offer you. We'll try to convince you of that. That's our job. But we'll never try to mislead you. That's our job, too.
